# SCANIA MALAYSIA SEALS FIRST SCANIA ECOLUTION TRUCK SIGNING

## IN ASIA AT MALAYSIAN COMMERCIAL VEHICLE EXPO 2019 (MCVE)

This year's MCVE also saw the signing of South region, in particular, Johor's first Scania Ecolution truck agreement with Naidu Trans Logistic Sdn Bhd marking another milestone for Scania Ecolution. Established since 2002, Naidu Trans Logistic Sdn Bhd is a Johor based logistics and warehouse services. The company operates more than 20 Scania trucks with their latest Scania trucks delivered in July 2018.

"Having a sustainable transport solution is very important to Naidu Trans Logistic Sdn Bhd as our trucks are always on the road transporting goods across the country. Our partnership with Scania through Scania Ecolution ensures that we can reach our desired business targets and profitability while minimising our impact on the environment," cited Naidu Trans Logistic Sdn Bhd Director, Boss Naidu.

Mr. Boss Naidu, Managing Director of Naidu Trans Logistic Sdn Bhd for being the first Scania Ecolution truck customer in the southern region in particular Johor. The partnership towards reducing fuels consumption and CO2 emissions was witnessed by Dato' Kamarudin Jaffar, Deputy Minister of Transport at the Malaysia Commercial Vehicle Expo (MCVE) 2019.
